

# Save the Wetlands Boardwalk

Official board sponsor form

We are always taking donations to help us purchase the lumber and nails we need to rebuild our wetland boardwalk! The current boardwalk has been well loved over several years of nature exploration, and there are many boards that are in need of replacement.

For each tax-deductible donation, we will replace an old board with a new one etched with your name or the name of a loved one. The three donation levels correspond to short, medium, and long boards.
